

HAVEN CUSTOMER APP PRIVACY POLICY

Haven Ventures Private Limited (“we” or “us” or “our”) respects the privacy of our users (“user” or “you”). We make every effort to treat your personal information as safely and securely as reasonably possible. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (the “Haven Ventures App”). Please read the following privacy policy to better understand how your personal information may be collected and used as you access various areas of our Application.

IF YOU DO NOT AGREE WITH THE TERMS OF THIS PRIVACY POLICY, PLEASE DO NOT ACCESS THE APPLICATION

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted

We do not sell, rent, share, or otherwise disclose personally identifiable information from customers for commercial purposes. We do not intend to disclose any personal information of yours without your consent to any third party who is not bound to act on our behalf unless such disclosure is required by law.

This Privacy Policy does not apply to the third-party online/mobile store from which you install the Application or make payments, which may also collect and use data about you. We are not responsible for any of the data collected by any such third party.

COLLECTION OF YOUR INFORMATION

This Application is for our customers to provide them with a convenient way to manage their project booking details, stay updated on construction progress and make secure payments online. We may collect information about you in a variety of ways based on your purchase history and previous interactions with us. The information we may collect via the Application depends on the content and materials you use, and includes:

Personal Data

Demographic and other personally identifiable information (such as your name and email address) that you voluntarily give to us when choosing to participate in various activities related to the Application.

Derivative Data

Information our servers automatically collect when you access the Application, such as your native actions that are integral to the Application, including other interactions with the Application and other users via server log files.

Financial Data

Financial information, such as data related to your payment method (e.g. valid credit card number, card brand, expiration date) that we may collect when you make a payment from the Application. We store only very limited, if any, financial information that we collect. Otherwise, all financial information is stored by our payment processor.

Geo-Location Information

We may request access or permission to and track location-based information from your mobile device, either continuously or while you are using the Application, to provide location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Access

We may request access or permission to certain features from your mobile device, including your mobile device's [bluetooth, calendar, camera, contacts, microphone, reminders, sensors, SMS messages, social media accounts, storage,] and other features. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Data

Device information such as your mobile device ID number, model, and manufacturer, version of your operating system, phone number, country, location, and any other data you choose to provide.

Push Notifications

We may request to send you push notifications regarding your account or the Application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

1. Compile anonymous statistical data and analysis for use internally or with third parties.
2. Create and manage your account.
3. Deliver targeted advertising, newsletters, and other information regarding promotions and the Application to you.
4. Email you regarding your account or purchase.
5. Fulfill and manage purchases, orders, payments, and other transactions related to the Application.
6. Generate a personal profile about you to make future visits to the Application more personalized.
7. Increase the efficiency and operation of the Application.
8. Monitor and analyze usage and trends to improve your experience with the Application.
9. Notify you of updates to the Application.
10. Offer new products, services, mobile applications, and/or recommendations to you.
11. Prevent fraudulent transactions, monitor against theft, and protect against criminal activity.
12. Process payments and refunds.
13. Request feedback and contact you about your use of the Application.
14. Resolve disputes and troubleshoot problems.
15. Respond to product and customer service requests.
16. Solicit support for the Application.

DISCLOSURE OF YOUR INFORMATION

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

Third-Party Service Providers

We may share your information with third parties that perform services for us or on our behalf, including payment processing, data analysis, email delivery, hosting services, customer service, and marketing assistance.

Marketing Communications

With your consent, or with an opportunity for you to withdraw consent, we may share your information with third parties for marketing purposes, as permitted by law.

Third-Party Advertisers

We may use third-party advertising companies to serve ads when you visit the Application. These companies may use information about your visits to the Application and other websites that are contained in web cookies in order to provide advertisements about goods and services of interest to you.

Affiliates

We may share your information with our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include our parent company and any subsidiaries, joint venture partners or other companies that we control or that are under common control with us.

Business Partners

We may share your information with our business partners to offer you certain products, services or promotions.

Other Third Parties

We may share your information with advertisers and investors for the purpose of conducting general business analysis. We may also share your information with such third parties for marketing purposes, as permitted by law.

We are not responsible for the actions of third parties with whom you share personal or sensitive data, and we have no authority to manage or control third-party solicitations. If you no longer wish to receive correspondence, emails or other communications from third parties, you are responsible for contacting the third party directly.

TRACKING TECHNOLOGIES

Cookies and Web Beacons

We may use cookies, web beacons, tracking pixels, and other tracking technologies on the Application to help customize the Application and improve your experience. When you access the Application, your personal information is not collected through the use of tracking technology. Most browsers are set to accept cookies by default. You can remove or reject cookies, but be aware that such action could affect the availability and functionality of the Application. You may not decline web beacons. However, they can be rendered ineffective by declining all cookies or by modifying your web browser's settings to notify you each time a cookie is tendered, permitting you to accept or decline cookies on an individual basis.

Internet-Based Advertising

Additionally, we may use third-party software to serve ads on the Application, implement email marketing campaigns, and manage other interactive marketing initiatives. This third-party software may use cookies or similar tracking technology to help manage and optimize your online experience with us.

Application Analytics

We may also partner with selected third-party vendors to allow tracking technologies and remarketing services on the Application through the use of first party cookies and third-party cookies, to, among other things, analyze and track users' use of the Application, determine the popularity of certain content, and better understand online activity. By accessing the Application, you consent to the collection and use of your information by these third-party vendors. You are encouraged to review their privacy policy and contact them directly for responses to your questions. We do not transfer personal information to these third-party vendors.

THIRD-PARTY WEBSITES

The Application may contain links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with us. Once you have used these links to leave the Application, any information you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the safety and privacy of your information. Before visiting and providing any information to any third-party websites, you should inform yourself of the privacy policies and practices (if any) of the third party responsible for that website, and should take those steps necessary to, in your discretion, protect the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Application.

SECURITY OF YOUR INFORMATION

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems [and our mobile applications] include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Policy.

OPTIONS REGARDING YOUR INFORMATION

You may at any time review or change the information in your account by:

- Logging into your account settings and updating your account
- Contacting us using the contact information provided below

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, some information may be retained in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our Terms of Use and/or comply with legal requirements.
